

THE CHORD COMPANY
CHORD SARUM T
ANALOG RCA
CABLE

Following up on the success of the original Super Sarum ARAY line, the Sarum T line introduces Chord's proprietary insulation material Taylon. With performance upgrades compared to the previous PTFE™ dielectric, the Taylon insulation brings a suite of benefits to your audio system.

This analog RCA cable is the best on the market, second only to the ChordMusic line. Also available as a tonearm cable.

Available now from The Sound Organization starting at \$2920 for a 1 meter cable.

The Sarum T RCA features:

- ⌋ High-purity, Silver-plated conductors
- ⌋ Taylon Insulation
- ⌋ Combination high-density foil and braided shielding
- ⌋ Precision engineered PTFE RCA Plug
- ⌋ Available as 1.2 meter tonearm cable
- ⌋ Also available in DIN and XLR
- ⌋ Available in 1m and custom lengths

"It gives you the mother load of musical thrill power and will have you pinned to the listening seat for hours."
