

THE CHORD COMPANY
**CHORD SIGNATURE
XL SPEAKER
CABLE**

The Signature XL speaker cable from Chord is an improvement on the Signature Reference. Utilizing Chord's new XLPE insulation material and terminated with silver plated ChordOhmic connectors, the Signature XL offers the best performance at this price point.

The Signature XL is available with either 4mm banana plugs or spade terminations.

Available now from The Sound Organization starting at \$1560 for a terminated set.

The Signature XL features:

- High-purity, Silver-plated conductors
- Cross-linked Polyethylene Insulation
- Individually shielded positive and minus conductors
- Combination high density foil and 95% coverage metal braid shielding
- Translucent PVC jacket
- Diameter: 2 x 8.5mm
- AWG: 10
- Available in red/black or all black combinations
- Choice of 4mm Banana Plugs or Spade Connectors
- Custom lengths available
