

FYNE AUDIO
F502

**FLOORSTANDING
LOUDSPEAKER**

The F502 floorstanding loudspeaker delivers Fyne's signature clarity and articulation along with visceral bass. The system will suit larger listening environments but is capable of revealing a huge dynamic range even when played at low volumes in smaller rooms.

Isotropic energy radiation, with point source constant directivity, is provided by an 8" IsoFlare driver for outstanding stereo imaging. A matched 8" bass driver is also fitted to the 64-litre cabinet. The F502 is supplied with a dedicated plinth incorporating the BassTrax Tractrix diffuser system.
